

Your Logo

partnered
with **payarc**

Your Brand. Our Tech. *One Seamless Experience.*

What's Included:

Branded Touchpoints

Your logo appears on every merchant application and monthly statement. This keeps your brand visible and reinforces your role as their trusted partner.

Custom Gateway Login

Merchants log in through a personalized URL that displays your logo at the top, keeping you top of mind every time they access the portal.

Dedicated Merchant Portal

We create a custom login link for your portfolio, giving your merchants a seamless, branded experience from the start.

Fast Facts

No added cost
for standard
co-branding

Available to all
active Payarc
agents

live within 3-5
business days

Why It Matters

The Co-Branded Asset Program puts your brand at every key touchpoint using Payarc's infrastructure. This helps you stay top of mind, build stronger merchant relationships, and reinforce your role as the partner they trust. Stronger brand presence means stronger retention and more portfolio stability.

Ready to get started?

Let's build something your merchants will remember.
